

# EMILY MORGAN

Photographer & Cinematographer

## experience

### Photographer/Cinematographer

#### Golden Hippo

*February 2022 - Current*

Developed captivating visuals for a diverse range of brands, such as Beverly Hills MD, Activated You, GundryMD, and Badlands Ranch, resulting in significant revenue generation across various platforms including websites, social media, print materials, and packaging. In addition to shooting, Emily set designs and styles all of the products, props and ingredients.

### Photographer/Cinematographer

#### Freelance

*January 2018 - Current*

Shot imagery for Refinery29, Flawless Beauty, IMG N Media, Fluide Beauty, ZeDonk Art, and Foundry Town Survivors.

### Director of Photography/Photographer

#### Gallery Media Group

*August 2018 - November 2020*

Operated as Director of Photography and oversaw the creation of visually stunning imagery for commercials and sponsored campaigns. Collaborated with renowned brands such as Roberto Coin, Bobbi Brown, John Frieda, Ziplock, RX Bar, Smirnoff, and Ulta Beauty. Ensured the delivery of compelling visuals that effectively captured the essence of each brand's message.

### Cinematographer/Editor

#### The Variable

*February 2016 - January 2018*

Contributed as a key creative on an award-winning Southeast Small Ad Agency of the Year team. While at The Variable, Emily was distinguished as one of The Drum Magazine's esteemed "50 under 30" creative women in 2017. Notably shot and edited a captivating music documentary that gained prominent recognition and was featured in Rolling Stone magazine.
